

PIPELINE STATUS: BLOCKED

Project ID	default-project
Environment	production
Trigger	manual-run
Pricing Engine	GCP Billing API
Timestamp	2026-05-25 00:47:38

Budget Progress (\$44000.0 / \$500.0)

Offending Resources Breakdown

Resource	Type	Machine Type	Monthly Cost (\$)
control_plane	google_compute_instance	a2-highgpu-8g	5500.0
worker_1	google_compute_instance	a2-highgpu-8g	5500.0
worker_2	google_compute_instance	a2-highgpu-8g	5500.0
expensive_nodes	google_container_node_pool (5 nodes)	a2-highgpu-8g	27500.0

Actionable Remediation

- Review resource sizes (e.g. AWS/GCP instance types).
- Consider down-scaling resources or using spot instances.
- Request a budget increase via the FinOps portal if this cost is expected.
