

PIPELINE STATUS: BLOCKED

Project ID	default-project
Environment	production
Scanned Directory	/home/vijay/projects/K8S_Training/GymApp/
Trigger	manual-run
Pricing Engine	GCP Billing API
Timestamp	2026-05-25 01:06:25

Budget Progress (\$4500.0 / \$500.0)

Offending Resources Breakdown

Resource	Type	Machine Type	Monthly Cost (\$)
ga_db	google_sql_database_instance	db-n1-highmem-64	4500.0

Actionable Remediation

- Review resource sizes (e.g. AWS/GCP instance types).
- Consider down-scaling resources or using spot instances.
- Request a budget increase via the FinOps portal if this cost is expected.
